Objective:

1. To make Students learn how to make clay Ganesh idols and the importance of eco-friendly idols for a safe and clean society.
2. To employ organic methodologies in physical, mental, and spiritual aspects.

ABOUT THE EVENT

KL Deemed to be University Hyderabad, National Service Scheme (NSS) has conducted "Distribution of Clay Ganesh Idols" on 09-01-2022 at Aziznagar Village.

Team KLEF NSS participated in the Distribution of Clay Ganesh Idols program on 09-01-2022. All the necessary arrangements were done a day before. Mrs. Bhavani Sushma Programme Coordinator, KLEF NSS Cell, Mr. Mallesh, Coordinator, CEA along with the NSS Student Advisory team has arranged all the necessary arrangements that are needed for the successful implementation of the event.

We're slowly getting back to our roots. Farmers are employing organic farming techniques and people are turning more health cautious and taking time for a digital detoxification. If we're employing these organic methodologies in physical, and mental aspects then why not in a spiritual aspect? In regard to this, KLEF-NSS has distributed Eco-friendly Ganesh idols in Aziznagar. These idols are free of chemicals, plaster of Paris, and plastic.

We're elated to share that "over 200 idols are distributed to students and faculty". These clay idols are Eco-Friendly which is a great replacement for plaster of Paris and plastic. Imbided the idea of taking initial steps in protecting nature through clay idols. Students learned about the organization of NSS. Clay idols which are made of mud get easily dissolved in water when immersed in water without harming the water bodies.

Outcome:

1. Students learned how to make clay Ganesh idols and
2. To spread the importance of eco-friendly idols for a safe and clean society.
