### **About the Event**

The NSS units of KLH College organized an anti-tobacco camp with the primary objective of raising awareness about the detrimental effects of tobacco consumption among the students and the local community of Reddipally and Chilkur villages. The camp aimed to educate the masses about the health hazards, social implications, and economic burdens associated with tobacco use.

#### **Key Activities**

- **School Visits: Conducted interactive sessions with students to educate them about the harmful effects of tobacco.**
- **Rally Organization: Planned and executed a massive anti-tobacco rally involving NSS volunteers and local residents.**
- **Awareness Creation: Distributed pamphlets and brochures containing information about tobacco cessation methods and helpline numbers.**
- **Community Engagement: Interacted with the local community through door-to-door campaigns and public speeches.**

#### **Outcomes and Impact**

The anti-tobacco camp proved to be a resounding success. The school students demonstrated a heightened awareness of the dangers of tobacco and pledged to be tobacco-free ambassadors. The rally attracted

significant public attention, with many residents expressing their support for the cause. The distribution of pamphlets and brochures provided valuable information to the community.

While the immediate impact of the campaign is evident, sustained efforts are required to ensure long-term behavioral change. The NSS units plan to conduct follow-up activities, such as counseling sessions and support groups, to assist individuals in quitting tobacco.

#### **Conclusion**

The anti-tobacco camp organized by the NSS units of KLH was a significant step towards creating a tobacco-free society. The campaign effectively reached out to students and the local community, fostering a positive environment for health and well-being. It is imperative to continue such initiatives to combat the menace of tobacco consumption and promote a healthier lifestyle.
