### **About the Event**

In line with the nationwide 'Swachhata Hi Seva, 2024' fortnight campaign, the National Service Scheme (NSS) volunteers of KLH demonstrated their unwavering commitment to environmental conservation by organizing a clean and green drive at the KLH Aziznagar campus. This initiative, held under the inspiring guidance of Dr. A. Ramakrishna, Principal, and Dr. M. P. Mallesh, NSS Programme Coordinator, showcased the dedication and teamwork of the NSS volunteers in promoting cleanliness and sustainability.

The day's activities began with volunteers assembling on the campus, where they were briefed about the importance of maintaining a clean and green environment. The focus was on cleaning the playing ground, a space central to the physical and social well-being of the campus community. Volunteers, equipped with gloves and tools, took on the challenge of clearing plastic waste and other litter scattered across the area. This effort highlighted the pressing need to tackle the growing menace of plastic pollution, which poses significant threats to both ecosystems and human health.

### **The Significance of the Initiative**

This clean and green drive is more than a one-time event; it reflects the broader vision of the NSS mission, encapsulated in the motto "*Not Me, But You.*" By actively participating in such initiatives, the volunteers embody the principle of selflessness and prioritize the well-being of their community over individual interests.

Plastic waste, a global environmental concern, was the primary target of the cleanup effort. Improperly disposed plastic not only degrades the aesthetic value of public spaces but also releases harmful microplastics into the soil and water, adversely affecting flora, fauna, and human populations. The drive emphasized the need for responsible waste management, recycling, and adopting sustainable alternatives to single-use plastics.

### **Leadership and Participation**

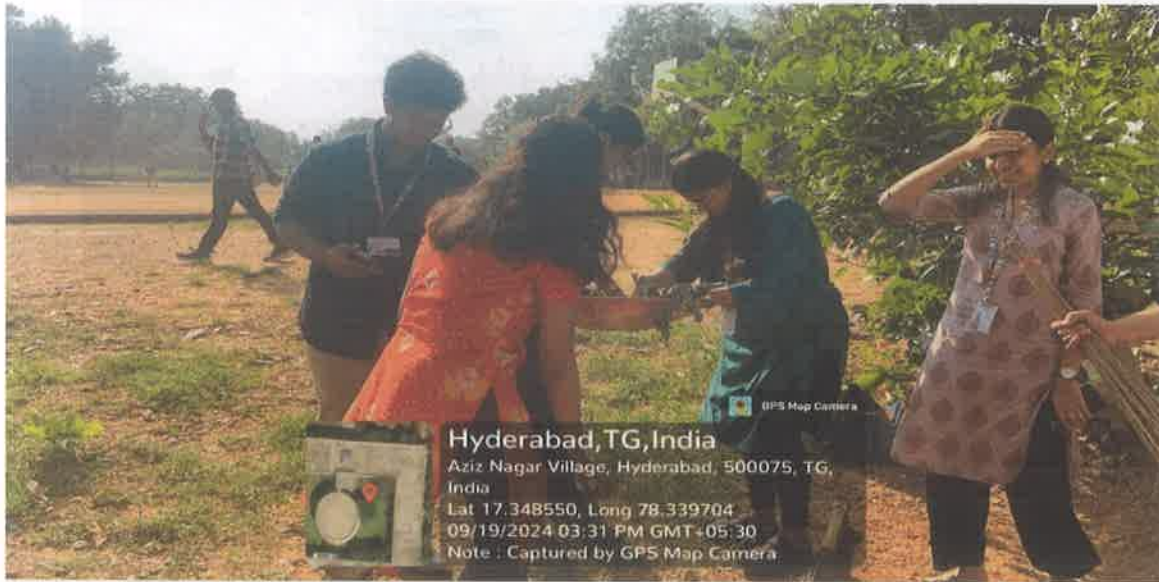

The event was made possible through the leadership and encouragement of key individuals. Dr. A. Ramakrishna, Principal of KLH, has always been a staunch supporter of initiatives aimed at fostering environmental awareness among students. His emphasis on practical action and hands-on involvement inspires students to take ownership of their surroundings and contribute to the greater good.
