---	--	---

About the Event

The ‘Swachhata Hi Seva’ campaign, launched under the broader vision of Swachh Bharat Abhiyan, emphasizes the importance of cleanliness, hygiene, and environmental sustainability. The KLH NSS team adopted this campaign to inspire action at the grassroots level. The primary objective of the event was to involve local communities in understanding the significance of cleanliness while taking concrete steps to rid public spaces of waste and litter.

The NSS units of KLH proudly organized a Cleanliness Drive at Chinna Mangalaram, Chilkur, Hyderabad, on the 21st of September 2024, as part of the nationwide ‘Swachhata Hi Seva’ campaign. This initiative reflected the commitment of the KLH NSS volunteers to the mission of creating cleaner and healthier surroundings, fostering a sense of community ownership, and spreading awareness about the importance of cleanliness.

Key Activities

The Cleanliness Drive began early in the morning with the enthusiastic participation of NSS volunteers, guided by their coordinators and mentors. Volunteers divided themselves into teams to tackle different parts of the village, ensuring that no area was left untouched. Armed with gloves, brooms, waste bags, and tools, the volunteers worked tirelessly to clean streets, public spaces, and areas surrounding local landmarks.

The focus was on removing plastic waste, a major environmental hazard, and segregating waste into biodegradable and non-biodegradable categories. The volunteers also cleaned drains to ensure better sanitation, collected litter from roadsides, and encouraged residents to adopt sustainable waste disposal practices.

In addition to physical cleaning, volunteers interacted with villagers to raise awareness about the harmful effects of littering and improper waste management. They emphasized the importance of recycling, reducing plastic usage, and maintaining a clean and hygienic environment.

	<p align="center">KL Deemed to be UNIVERSITY (Off Campus, Hyderabad) Estd. u/s 3 of UGC Act 1956 Campus: RVS NAGAR, Aziz nagar (PO), Moinabad Road, Hyderabad , R.R. Dist- 500075.</p>	
---	--	---

Impact of the Event

The Cleanliness Drive had both immediate and long-term impacts. By the end of the day, Chinna Mangalaram saw a visible transformation, with cleaner streets and public spaces free from waste and plastic litter. The active involvement of the local community ensured that the event left a lasting impression, inspiring them to maintain the cleanliness of their surroundings.

The event also contributed to the larger goals of the Swachh Bharat Abhiyan by creating awareness about cleanliness and sustainability. Volunteers shared practical tips on waste segregation, composting, and minimizing plastic usage, empowering the residents to take proactive steps toward a cleaner environment.

Conclusion

The Cleanliness Drive organized at Chinna Mangalaram as part of the 'Swachhata Hi Seva' campaign is a shining example of the power of community action. Through their tireless efforts, the KLH NSS volunteers demonstrated that cleanliness is not just an act but a way of life that requires collective responsibility.

This event not only cleaned a village but also sowed the seeds of awareness, responsibility, and environmental stewardship. With sustained efforts and the active participation of local communities, such initiatives can pave the way for a cleaner, greener, and healthier India.

---	--	---

About the Event

As part of the KLH NSS initiative and the collaborative efforts of students from the Artificial Intelligence and Data Science (AI&DS) department, a unique and impactful event was organized on 21st September 2024. This event, held at the Mandal Parishath High School in Chilkur, Hyderabad, aimed to conduct a survey to test and enhance an application-based learning tool for phonics education tailored for school children.

About the Project

The AI&DS students of KLH developed an innovative application designed to teach phonics through audio and video visuals. This application incorporates engaging multimedia elements to help young learners grasp the fundamentals of phonics in a fun and interactive manner. The tool also includes various accents and sound elements, ensuring that it caters to diverse linguistic and phonetic needs.

The objective of the survey was to evaluate the effectiveness of the application in helping children learn phonics, understand various accents, and recognize different sounds. This feedback would be instrumental in refining the tool and ensuring its alignment with the learning abilities and preferences of the students.

Activities During the Event

	<p align="center">KL Deemed to be UNIVERSITY (Off Campus, Hyderabad) Estd. u/s 3 of UGC Act 1956 Campus: RVS NAGAR, Aziz nagar (PO), Moinabad Road, Hyderabad , R.R. Dist- 500075.</p>	
---	--	---

The event began with an enthusiastic welcome from the school staff and students. With the help of KLH NSS units, AI&DS students introduced the application to the schoolchildren and conducted interactive sessions to demonstrate its features.

For Students

Interactive Learning Sessions: The children used the application to explore phonics through audio-visual content.

Phonics Assessment: Students were tested on their ability to identify and understand sounds and accents included in the application.

Feedback Collection: A survey was conducted to gather insights into the children's experiences with the application.

For Teachers

Survey on Teaching Methodologies: Teachers were asked for feedback on how the application aligns with their current teaching methods.

Suggestions for Improvement: Educators shared ideas on incorporating phonics learning into regular classroom activities and how the tool could be further tailored for Anganwadi students.

Response and Outcomes

	<p align="center">KL Deemed to be UNIVERSITY (Off Campus, Hyderabad) Estd. u/s 3 of UGC Act 1956 Campus: RVS NAGAR, Aziz nagar (PO), Moinabad Road, Hyderabad , R.R. Dist- 500075.</p>	
---	--	---

The program received an overwhelming response from both students and teachers. The schoolchildren found the application engaging and enjoyable, while the teachers appreciated its potential to enhance phonics learning.

Student Feedback:

Students demonstrated improved engagement with the application's audio-visual content.

The survey revealed their preferences for specific accents and sounds, offering valuable data for improving the application.

Teacher Feedback:

Teachers suggested integrating the tool with traditional teaching techniques to make phonics education more effective.

They highlighted the importance of including regional accents and culturally relevant examples to better suit local learning needs.

Conclusion

The success of the event was made possible by the collective efforts of many individuals. The KLH NSS units express their heartfelt gratitude to Principal Dr. A. Ramakrishna Garu for his encouragement and support. NSS Coordinator Dr. M.P. Mallesh Garu for guiding and supervising the event. Faculty coordinators and students from the AI&DS department, whose

	<p align="center">KL Deemed to be UNIVERSITY (Off Campus, Hyderabad) Estd. u/s 3 of UGC Act 1956 Campus: RVS NAGAR, Aziz nagar (PO), Moinabad Road, Hyderabad , R.R. Dist- 500075.</p>	
---	--	---

innovation and dedication were central to the project. The staff and students of Mandal Parishath High School, Chilkur, for their active participation and constructive feedback.

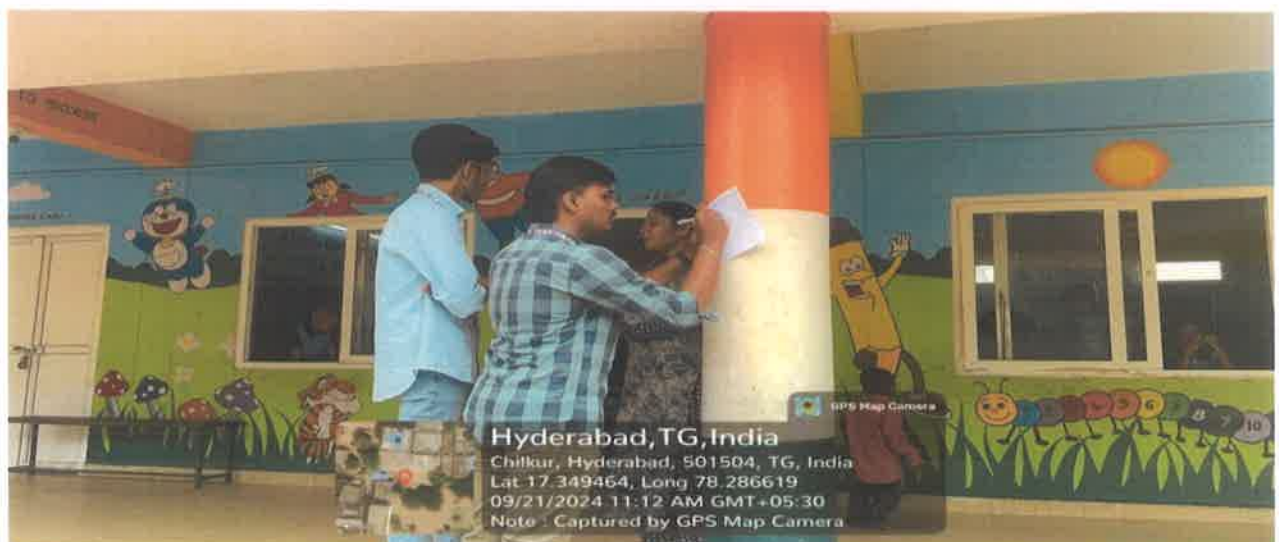

The Anganwadi survey was a significant step toward bridging the gap between technology and education. By integrating audio-visual tools into phonics learning, the project aims to make foundational literacy more accessible and effective for young learners.

The event not only provided valuable insights for improving the application but also fostered a spirit of collaboration between KLH NSS units, the AI&DS department, and the school community. This initiative stands as a testament to the transformative potential of technology in education, paving the way for future innovations in teaching and learning.
