About the Event

The National Service Scheme (NSS) Unit of KLH conducted a comprehensive First Aid and Cleanliness Training program for school students in Aziz Nagar village on October 10th, 2023. This report details the training program's objectives, activities, and overall impact.

Objectives:

To equip school students with basic first-aid knowledge and skills to handle emergencies effectively.

To raise awareness about the importance of cleanliness and hygiene practices in maintaining good health.

To foster a sense of social responsibility among NSS volunteers while contributing to the well-being of the village community.

Activities Conducted:

Interactive First-Aid Training: A qualified medical professional led an interactive session on basic first-aid techniques. The session covered topics like identifying common injuries, CPR (Cardiopulmonary Resuscitation), and administering first aid for various situations. Students actively participated in the training, practicing bandaging techniques on mannequins and asking questions to clarify their understanding.

Cleanliness Awareness Drive: NSS volunteers organized an awareness campaign on the importance of cleanliness and hygiene practices. They conducted interactive sessions with students, using presentations, demonstrations, and slogans to highlight the benefits of maintaining a clean environment. The session also emphasized the link between personal hygiene and preventing the spread of diseases.

Cleanliness Drive in School Premises: To put theory into practice, NSS volunteers, along with school students, participated in a cleanliness drive within the school premises. They collected waste, swept classrooms, and cleaned common areas. This activity instilled a sense of ownership and responsibility for cleanliness among students.

Participation and Outcome:

The First Aid and Cleanliness Training program witnessed enthusiastic participation from both NSS volunteers and school students. The interactive nature of the sessions ensured effective knowledge transfer. Students gained valuable first-aid skills and a deeper understanding of hygiene practices. The cleanliness drive not only improved the school environment but also served as a demonstration of the importance of community action.

Conclusion:

The NSS Unit KLH's First Aid and Cleanliness Training program proved to be a beneficial initiative for both the school students and the NSS volunteers. The program equipped students with valuable life skills and fostered a sense of community responsibility among the volunteers.

About the Event

NSS student volunteers under the guidance of Dr A Ramakrishna, Principal, KLH and Dr MP Mallesh, NSS Program Unit Officer, KLH, organized rallies in Aziznagar village to mark World AIDS Day on 01-12-2023. On this occasion, volunteers interacted with a cross section of people in Aziznagarvillage, sensitizedand enlightened people on signs and symptoms, causes, prevention, treatment of HIV/AIDS and myths surrounding AIDS.NSS volunteers urged the people to show compassion and empathy towards HIV/AIDS patients. The event witnessed active participation of villagers in large numbers and the villagers thanked and appreciated KL University management for involving students in social service activities.
