ABOUT THE EVENT

OBJECTIVES:

1. Helping the patient heal their wounds and providing advice on how to care for them at home.
2. **Protect the unconscious.** Identifying and clearing away potential hazards and checking for vital signs in unconscious patients.

EVENT:

Introduction

KL Hyderabad NSS unit conducted a First Aid Awareness Program, to promote the importance of first aid and equip participants with the necessary skills to provide basic first aid in case of an emergency. The program aimed to create awareness about the importance of first aid and encourage participants to take proactive steps to promote the safety and well-being of those around them.

Objectives

The main objectives of the First Aid Awareness Program were:

To create awareness about the importance of first aid and its role in saving lives.

To equip participants with the necessary skills to provide basic first aid in case of an emergency. To promote a culture of safety and responsibility among participants.

Planning and Preparation

The planning and preparation for the First Aid Awareness Program started several weeks before the event date. The NSS unit members collaborated with healthcare professionals and first aid experts to conduct the program. They also arranged for a suitable venue and necessary resources, such as first aid kits, mannequins, and other equipment.

The NSS unit members created posters and flyers to promote the event and reached out to schools, colleges, and community organizations to encourage participation. They also ensured that all necessary precautions were taken to ensure the safety of the participants and promote their well-being.

Event Day

The First Aid Awareness Program started at 10:00 a.m. at Aziz Nagar village. The NSS unit members were present at the venue to welcome the participants and guide them through the various activities. The program had several workshops and activities, including:

First Aid Techniques: Healthcare professionals and first aid experts conducted workshops on basic first aid techniques and provided participants with the necessary skills to provide basic first aid in case of an emergency. The workshops covered topics such as bleeding control, CPR, and choking management.

Hands-on Training: Hands-on training was provided to participants to ensure they were comfortable and confident in providing basic first aid. The participants were provided with mannequins and other equipment to simulate real-life emergency situations.

Awareness Session: An awareness session was conducted to create awareness about the importance of first aid and its role in saving lives. The session aimed to promote a culture of safety and responsibility among participants and encourage them to take proactive steps to promote the safety and well-being of those around them.

The First Aid Awareness Program organized by KL Hyderabad NSS unit was a great success. The program achieved its objectives of creating awareness about the importance of first aid, equipping participants with the necessary skills to provide basic first aid, and promoting a culture of safety and responsibility among participants.

The workshops and hands-on training provided participants with the necessary skills to provide basic first aid in case of an emergency. The awareness session highlighted the importance of first aid and encouraged participants to take proactive steps to promote the safety and well-being of those around them.

OUTCOMES:

1. **Increased understanding** of how to assess and respond to emergency situations.
2. **Improved knowledge** of basic first aid techniques, such as how to control bleeding or perform CPR.
3. **Increased confidence** in responding to emergencies
