ABOUT THE EVENT

OBJECTIVES:

1. Aim to spread awareness among people about the importance of changing their attitudes to save the environment
2. Aim to create mass awareness of the need to protect the environment and to enhance political attention and public action.

EVENT:

Introduction

KL Hyderabad NSS Unit conducted a Go-Green Initiative Camp at Aziz Nagar village on 16October 2018 at the KL University campus. The camp was organized with the aim of promoting environmental awareness among the students and staff members and encouraging them to take steps towards sustainable living. The event was a great success, with a large number of people turning up to participate.

Objectives

The main objectives of the Go-Green Initiative Camp conducted by KL Hyderabad NSS Unit were:

1. To promote environmental awareness among the students and staff members.
2. To encourage people to adopt sustainable practices in their daily lives.
3. To promote the use of eco-friendly products and reduce the use of plastic.
4. To create a green campus by planting more trees and promoting waste segregation.

Event Day

The planning and preparation for the Go-Green Initiative Camp started a few weeks before the event. The NSS unit members prepared a list of potential participants and created posters and flyers to promote the event.

The NSS unit members also collaborated with local environmental organizations to provide necessary support and resources. They arranged for experts to conduct workshops on sustainable living and waste management, and they also organized a tree-planting drive.

The Go-Green Initiative Camp started at 9:00 a.m. on 16th October 2018. The NSS unit members were present at the venue to welcome the participants and guide them through the various activities. The event had several workshops and activities, including:

Workshops on Sustainable Living: Experts conducted workshops on sustainable living, which included topics like composting, organic farming, and energy conservation. The workshops aimed to educate the participants on how they can reduce their carbon footprint and contribute to environmental conservation.

Campus: RVS NAGAR, Aziz Nagar (PO), Moinabad Road, Hyderabad , R.R. Dist-500075.

Tree-Planting Drive: The NSS unit members and participants also participated in a tree-planting drive, where they planted saplings around the campus. The tree-planting drive aimed to increase the green cover around the campus and promote biodiversity.

Waste Segregation Drive: The participants were also involved in a waste segregation drive, where they segregated waste into different categories like plastic, paper, and organic waste. The drive aimed to promote waste management and reduce the amount of waste sent to landfills.

Exhibition: An exhibition was also set up to showcase eco-friendly products and promote their use. The exhibition aimed to encourage participants to switch to eco-friendly products and reduce the use of plastic.

The Go-Green Initiative Camp conducted by KL Hyderabad NSS Unit was a great success. The event achieved its objectives of promoting environmental awareness and encouraging people to adopt sustainable practices in their daily lives. The workshops and activities conducted during the event helped to educate the participants on how they can reduce their carbon footprint and contribute to environmental conservation.

The tree-planting drive helped to increase the green cover around the campus, and the waste segregation drive promoted waste management and reduced the amount of waste sent to landfills. The exhibition helped to promote the use of eco-friendly products and reduce the use of plastic.

Overall, the Go-Green Initiative Camp conducted by KL Hyderabad NSS Unit was a great initiative, and it is hoped that such events will be organized in the future to continue to promote environmental awareness and sustainable living. The organizers ensured that all necessary precautions were taken to ensure the safety of the participants and promote a healthy and sustainable future.

OUTCOMES:

1. Increased awareness and understanding of.
2. Adoption of more environmentally-friendly behaviours and practices by individuals and organizations.
3. Reduction in pollution and resource consumption.
