About the Event

OBJECTIVES:

1. To enlighten the students on ragging and its prevention
2. To help understand the regulations and punishments concerned to ragging.

KL Deemed to be University, Hyderabad (Koneru Lakshmaiah Education Foundation National Service Scheme (NSS) has conducted “Swachh Bharat” on 15-08-2020.

Details of the Program:

On the eve of Clean India, Team KLH NSS has planned to conduct Swachh Bharat in our adopted village. Our Programme Coordinators Dr Mallesh, Mrs Venkata Deepthu & Dr Bhavani Sushma cherished the initiative of the volunteers and planned accordingly. On 15-08-2020, we started at 10 am and reached there by 10:30 Am. The team has been divided into different groups and spread across the village. The team has swept the roads all the roads of the village. During the event, some of the volunteers observed that the bus stand of that village is dusty. To this, the team swept all the dust and cleaned the bus stand with water.

Dr KOTESHWAR RAO (PRINCIPAL) highlighted that everyone should implant the habit of swachhata in their day-to-day life. Dr.D. Srinivas Rao (Dean of Student Affairs) admired that everyone has to inculcate the culture of keeping the surroundings clean and he also appreciated the ideas and efforts of the NSS volunteers in making this event successful.

OUTCOMES:

The Swachh Bharat Abhiyan campaign by NSS proved to be very effective. The volunteers actively participated in all the activities and made a significant impact in creating awareness about the cleanliness drive. The cleanliness drive in the university premises helped in maintain the cleanliness of the campus, which motivated students and faculty members to maintain cleanliness.

The awareness campaign in the nearby schools and villages helped in creating a greater impact by educating the people about the importance of cleanliness and sanitation. The Swachh Bharat app was also very beneficial in identifying garbage and waste materials and helped in taking immediate action.

The tree plantation helped in reducing air pollution and provided a clean and fresh environment. The wall painting activity also helped in spreading awareness about cleanliness and sanitation among the people.
