ABOUT THE EVENT

Objectives:

The goal of treating dehydration is to replace fluids and restore body fluids to normal levels. If you're mildly dehydrated from lots of activity, you'll be thirsty and should drink as much as you want. Plain water is the best option. Then rest in a cool, shaded spot until the lost fluid has been replaced.

EVENT:

KL Deemed to be University, Hyderabad (Koneru Lakshmaiah Education Foundation) Department of Electronics and Communication Engineering (ECE), National Service Scheme (NSS) has conducted “Awareness on Dehydration” on 16-03-2022. In view of rising temperatures these days, Team KLH NSS Unit came up with an initiative idea of creating Awareness on Dehydration on 16-03-2022. In this regard, the Team has arranged all the requirements that are needed for implementing this event. We started at 11:00 A.m. and reached there by 11:50 a.m. We divided ourselves into 3 groups and dispersed and went to three different areas. We have talked and created awareness among the Street vendors, Daily wage workers, and farmers. We have suggested the following precautions – Drink Plenty of Fluids – Eat High-Water Foods. – Use Oral Rehydration Salts. – Prevention for Babies and Young Children. The Dean of Student Affairs appreciated and stated that these types of Programs will improve communication skills and help in the overall development of the students. This event was successful under the guidance of Dr.M.P.Mallesha, Program Unit Officer, this program was led by Program Coordinator Dr. Bhavani Sushma Garlapati, Dr. Suresh Kumar and Mrs. Deepthi.
