ABOUT THE EVENT

OBJECTIVES:

On 17th April 2023, KL in collaboration with Bhaskara Medical College successfully organized a general polio camp in Murthujaguda Village, Moinabad mandal. The event was aimed at providing basic healthcare services to the underprivileged sections of society and creating awareness of the importance of preventive healthcare measures.

EVENT:

The students of KL actively coordinated and participated in the event by creating awareness about the camp and conducting a door-to-door health survey in the village. The survey helped in identifying individuals who required immediate medical attention and ensured that they received timely medical assistance. The students of KL actively coordinated and participated in the event by creating awareness about the camp and conducting a door-to-door health survey in the village. The survey helped in identifying individuals who required immediate medical attention and ensured that they received timely medical assistance.

OUTCOMES:

The camp was a great success, and seeing the students' dedication and enthusiasm in serving the community was heartening. The event served as a great platform for the students to gain hands-on community service experience and learn about social responsibility's importance. KL and Bhaskara Medical College aim to continue organizing such events in the future to make healthcare accessible to everyone in need.
