### **ABOUT THE EVENT**

#### **OBJECTIVES:**

To conduct a rally to spread awareness of cancer. [To fight against cancer].

#### **EVENT:**

The KLH recently hosted a student-led rally program as part of their National Service Scheme (NSS) event to create awareness of cancer and its effects. The event aimed to educate and inform people about the importance of cancer prevention, early detection, and treatment. The program started with a rally that was led by the NSS volunteers and students. They carried placards and banners with messages related to cancer prevention, awareness, and support for cancer patients. The rally started from the KLH and covered various locations in the nearby areas. The students interacted with the local people and explained the seriousness of cancer.

After the rally, the NSS volunteers organized a seminar on cancer awareness. The NSS students and volunteers highlighted the importance of a healthy lifestyle, regular check-ups, and early detection in preventing cancer.

#### **OUTCOMES:**

The seminar was attended by a large number of students, faculty, and local people. The audience actively participated in the Q&A session, where they asked questions and shared their own experiences related to cancer.
